CITY OF ROSEBURG CHARTER AMENDMENT

Question 20 words which plainly phrases the chief purpose of the measure.

Shall the City adopt amendments to the current City Charter?

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

Charters grant legal authority to cities, specify how ordinances are adopted, list qualifications for officers, and assign duties to city officials. This measure would adopt amendments to the current Charter, which was enacted in 1983.

The Roseburg City Council referred the Charter amendments to the voters on the recommendation of a Charter Review Committee.

The amendments are based in part on the League of Oregon Cities Model Charter but keep those provisions that are unique and important to Roseburg. The proposed amendments retain the current form of government with a Mayor and eight councilors to govern, and a city manager to run administrative affairs. The amendments update the Charter to be more straightforward and modernized to clearly define the legal authority of the City.

The proposed Charter amendments remove current Charter language that is inconsistent with state law, and contains other minor changes.
