

Flexible Spending Accounts TASC

Benefits You Receive:

FSA's provide you with an important tax advantage that can help you pay health care and dependent care expenses on a pretax basis. By anticipating your family's health care and dependent care costs for the next year, you can actually lower your taxable income.

Health Care Reimbursement FSA:

This program allows City of Roseburg employees to set aside pre-tax money to pay for medically necessary healthcare expenses that are not covered by a health plan. The annual maximum amount you may contribute to the Health Care FSA is \$2,750. Some examples of reimbursable expenses include:

- Insurance deductibles, coinsurance, and copayments
- Hearing services, including hearing aids and batteries
- Vision services, including contact lenses, contact lens solution, eye examinations and eyeglasses
- Dental services and orthodontia
- Chiropractic services
- Acupuncture
- Prescription copays

Dependent Care FSA:

The Dependent Care FSA lets City of Roseburg employees use pretax dollars toward qualified dependent care such as caring for children under the age 13 or caring for elders. The annual maximum amount you may contribute to the Dependent Care FSA is \$5,000 (or \$2,500 if married and filing separately) per calendar year. Examples include:

- The cost of child or adult dependent care
- The cost for an individual to provide care either in or out of your house
- Nursery schools and preschools (excluding kindergarten)

Expenses that qualify for reimbursement from FlexSystem.
