Interested applicants are encouraged to fill out an application by contacting the City at info@cityofroseburg.org or by going to www.CityofRoseburg.org.

Planning Commission

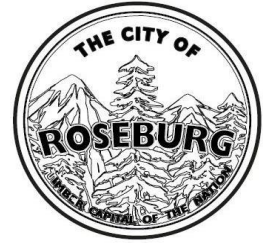

The Planning Commission meets at 7 pm on the first Monday of each month to consider long and short range land use development issues within the City and Urban Growth Boundary. The Commission consists of seven citizens appointed by the City Council. The Planning Commission reviews and takes action on land use and development projects based on the provisions of the City of Roseburg Land Use and Development Regulations (LUDR). The Commission reviews and acts on quasi-judicial applications (those filed by land owners and/or their agents) and on Legislative applications initiated by the City. While some actions by the Commission are recommended to the City Council for final approval, other decisions are final unless appealed to the Council.

At least six members of the Commission must be residents of the City; the other member may reside outside City limits, but must reside within the Urban Growth Boundary. The current vacancy requires residency within the City. The term starts in January 2021 and ends on December 31, 2024. To apply for the Planning Commission vacancy, please download an application [HERE](#) or email info@cityofroseburg.org.

Airport Commission

The Airport Commission, which meets the third Thursday of every even month at 3:30 pm, develops policies for future development of the Airport, including goals and objectives, prioritizing listing of capital improvements, and financing. The Commission is composed of seven members, four of which must be residents of Roseburg. This open position requires residency within the City, and its term will begin in January 2021 and end December 31, 2023.
