**SPECIAL PRESENTATION**

**COMMUNITY HOMELESSNESS NEEDS ASSESSMENT PRESENTATION BY ROGUE RETREAT**

Mr. Vordestrasse thanked everyone for inviting him to the community to replicate the same type of work they do in the Josephine and Jackson County area. He shared a video called, "Finding Home: Community First! Village," to demonstrate the vision of what they wanted to accomplish. That video was used as part of their strategic planning and shared survey results. The vision of the plan was, "Roseburg envisions an inclusive community where all feel safe, supported, and have the opportunity to work towards becoming self-sufficient. This will be accomplished through building a sustainable, coordinated social service based network to address the needs of the unhoused. Lasting success would be founded on the principle of collective engagement with the entire community."

The plan was formed by conducting a needs survey to unsheltered individuals, an online community survey for community members, and zoom and phone interviews with community leadership. In total, over 80 members of the Roseburg community took part in helping draft the assessment and plan of action. The results were reviewed at a Strategic Visioning meeting that was conducted on April 14, 2021. Some highlights from the survey included:

- Access to more Domestic Violence shelter beds
- A low barrier shelter and year round shelters.
- Warming centers and cooling centers.
- A family shelter.
- A space to be (more like an organized Urban Campground).

- Access to bathrooms, trash cans, showers and laundry services.
- More medical outreach such as mobile medical and dental.
- Pet friendly shelter spaces.

Highlights from the email survey included:

- Hope was the biggest need because many lost hope.
- Shelter, food resources, medical, transportation, access to resources such as Naloxone and Harm Reduction supplies, HIV and HCV testing.
- Housing first, no/low barriers to entry, supportive services for life-skill building and supporting the transition.
- A one stop shop Navigation Center.
- An integrated approach from all community-based organizations so there is a unified effort and a collaboration around addressing homeless issues and providing homeless services in a trauma-informed, efficient and effective manner.

Interview highlights included:

- Campsite/shelter/tiny house village needed for a space outside city parks or downtown.
- People need a space to be and need to have access to adequate hygienic facilities to help eliminate environmental risks.
- A year round low barrier shelter.
- Homeless Youth Shelter.
- More transitional housing programs.
- More programs that meet people where they are.

It was important to be able to help people and meet their basic needs so they could do better and help those assisting to better identify the resources needed. Mr. Vordestrasse discussed the SWOT (Strength, Weaknesses, Opportunities, and Threats). It was great to receive \$1.5 million to create a new navigation center and shelter, but to have it completed by June 2022 would be challenging.

Mr. Vordestrasse discussed the plan of action short term goals that would typically take place within three months. There were a lot of moving pieces and it was important to establish tactical sub-committees to help lead out the creation of programs. Sub-committees would be made of community based organizations and community members.

Other items to consider were:

- Navigation Center and low barrier shelter: need to clarify the parameters for the funding, what was required for the site and if the shelter requirement could be met by doing an Urban Campground or pallet shelters.
- Identify the lead organizations to help stand up and operate the programs.
- Create a comprehensive property inventory for potential program development.
- Facilitate a forum to develop a perspective and strategy related to information sharing and referrals.
- Create an outreach and livability sub-committee of the Homeless Commission to focus on short term needs of the homeless.

For the mid-range six month plan, Mr. Vordestrasse suggested to investigate potential ordinance updates to help create a pathway for program creation. He suggested

establishing a memorandum of understanding with Rogue Retreat for services. Rogue Retreat was not able to come staff the programs, but could continue providing online consulting and a support system for the community. They could provide training and coaching to help with this in the first three months. Mr. McComas noted Grants Pass was changing some of their zoning requirements where homeless services could be located, but it was a long-term process.

Mr. Vordestrasse stated they did not have funding for the long term unless a group like UCAN had the option of passing through funds. He suggested a sub-committee for funding to sustain the program. It was also important to conduct an annual Homeless Commission retreat to review, readjust, and refocus community efforts. Sub-committees can be the olive branch to bring people together and begin the healing process for the community. Other items to consider were weather shelters, medical and dental services, and storage lockers for vital records. Theft among the homeless communities was a big issue, so it was nice to have a place for them to keep important items. Something to consider was a livability team like in Medford that was quasi-social work and police officers. They were the ones that developed relationships. He suggested sprung structures which was a tent and building all made in one. It was an easier way to create a navigation center. Mr. McComas explained the money coming from the state was not enough to build a center and suggested not spending it all on a building, but using some for the navigation center piece.

Mr. Vordestrasse suggested trauma informed training to steer away from the idea of “what’s wrong with you,” and geared you up for asking “what happened?” Other suggestions included:

- Create an awareness campaign to show how big this issue is and see where they could step in to help.
- Conduct relationship building activities between the City and County. There had been hostility against government over time and relationships needed mended to allow people to be heard.
- Look at having retreats.
- Engage Umpqua Community College to help create student housing for homeless students.

Mr. Vordestrasse thanked the Commission for inviting them to the community, giving them the opportunity to get to know this unique community. He was excited because they identified the right road map to move forward.

Chair Rich summarized his thoughts for four subcommittees to include Location, Non Profit identified, Immediate Needs and Funding. He wanted to know if there was an interest from the Commission to take a sub-committee and move forward. Commissioner Fieldman thought the development of a Navigation Center was the largest issue facing them and they needed to find a location, figure out who would run it and make sure things were in order before June 2022. Mr. Vordestrasse agreed a committee for the Navigation Center and Shelter was needed. Knowing a money resource was coming might be the motivation for a committee to gain traction quickly. Ms. Messenger added that until the City saw an agreement with Department of Administrative Services she did not know what type of strings or regulations would be attached. Commissioner Pritchard asked if some of the committees could be combined rather than having 4-5 groups. Mr. Vordestrasse

explained it would work to identify closely related items to merge together into a committee rather than having several specific groups for only one accomplishment. Commissioner Fieldman suggested the parallel process of finding property and refining a Navigation Center. Mr. Cowie explained that from a land use perspective a drop in center with day use services and overnight options would be different for land use approval.

Commissioner Bolton wanted to revisit the sub-committee component and asked if they were subject to open meeting laws and posts on Facebook live. For an immediate first step he thought it would be best to reach out to community leaders to work with them. Ms. Sowa confirmed if a Commission member was taking on a task to complete then it would not be a problem. Commissioner Bolton discussed the option of having a community leader take a lead and report to the Commission to help meet deadlines. Commissioner Brigham agreed and understood the need for more formal meetings, but this was something that needed to move quickly and community organizations could help do the work. Mr. Vordestrasse agreed that informal meetings was a good way to go to avoid following quorum laws. Mr. McComas said Rogue Retreat could possibly lead a steering committee and report back to the commission. Ms. Messenger said there was an option of creating City Manager Ad Hoc committees that would not be subject to public meeting laws.

Chair Rich agreed to start with two Ad Hoc committees for immediate needs and a navigation center. He suggested a follow up meeting with Ms. Sowa, Ms. Messenger and Commissioner Fieldman to discuss sub-committees and how to proceed. Commission Members agreed with the plan to move forward. Commissioner Fieldman suggested finalizing a memorandum of understanding with Rogue Retreat to continue the work.

### ISSUE STATEMENT AND SUMMARY

Since the last Commission meeting, Governor Brown has signed HB 2006, which outlines requirements for grant funded navigation centers. Staff is providing this report for clarification and discussion purposes.

### BACKGROUND

On April 14, 2021, the Governor signed House Bill 5042 (HB 5042) which included \$1.5 million for the City of Roseburg to establish a navigation center (Section 77). This funding has been allocated from the current biennium budget ending June 30, 2021. HB 2006 was signed by the Governor on May 12, 2021 and provided additional information regarding navigation centers. For our project, the two bills are related and the language can be confusing. In order to move forward, it is important to understand what the bills/funding require. This memo is staff's attempt to outline our current understanding of the requirements. Please keep in mind that we have not received a draft agreement from the Oregon Department of Administrative Services (DAS), so additional conditions may be forthcoming.

Unravelling the language found in HB 2006 –

**Emergency shelter** means “a building or cluster of buildings that provides shelter on a temporary basis for individuals and families who lack permanent housing.” Emergency shelters shall:

- Include sleeping and restroom facilities *and*
  - Comply with applicable building codes
  - Be located inside UGB or area zoned for rural residential
  - Not be located in natural hazard area
  - Have adequate transportation access
  - Not pose unreasonable risk to public health or safety

**Low-barrier emergency shelter** means an emergency shelter “that follows established best practices to deliver shelter services that minimize barriers and increase access to individuals and families experiencing homelessness.”

**Navigation Center** is “a low-barrier emergency shelter that is open seven days per week and connects individuals and families with health services, permanent housing and public benefits.”

The State has committed \$1.5 million to the City of Roseburg to:

- a) Plan the location, development or operation of a navigation center;
- b) Construct, purchase or lease a building for use as a navigation center;
- c) Operate a navigation center that has been constructed, purchased or leased per (b) or
- d) Contract for the performance of activities listed above.

The City is required to develop a navigation center that is operating on or before **July 1, 2022** or return all moneys granted.

The above definitions outline the *minimum* requirements the navigation center will need to achieve prior to the July 1, 2022 deadline.

HB 2006 list other amenities that emergency shelters may provide. These include but are not limited to:

- Showers
- Storage for personal property
- Laundry
- Food service
- Recreation areas for children and pets
- Case management – housing, financial, vocational, educational, physical or behavioral health care services

Given the short timeline, it is going to be important to prioritize next steps to ensure we can meet the minimum requirements while identifying sustainable funding opportunities that will allow the program to continue to build from there.

### A BILL FOR AN ACT

Relating to housing; creating new provisions; amending ORS 203.082, 446.265 and 458.650; and declaring an emergency.

Be It Enacted by the People of the State of Oregon:

**SECTION 1.** Sections 2 and 3 of this 2021 Act are added to and made a part of ORS chapter 197.

**SECTION 2.** (1) As used in this section, "emergency shelter" means a building or cluster of buildings that provides shelter on a temporary basis for individuals and families who lack permanent housing.

(2) A building or cluster of buildings used as an emergency shelter under an approval granted under section 3 of this 2021 Act or section 11, chapter 12, Oregon Laws 2020 (first special session):

(a) May resume its use as an emergency shelter after an interruption or abandonment of that use for two years or less, notwithstanding ORS 215.130 (7).

(b) May not be used for any purpose other than as an emergency shelter except upon application for a permit demonstrating that the construction of the building and its use could be approved under current land use laws and local land use regulations.

(3) An approval of an emergency shelter under section 3 of this 2021 Act or section 11, chapter 12, Oregon Laws 2020 (first special session) is void unless the shelter is operating within two years following the approval.

NOTE: Matter in boldfaced type in an amended section is new; matter *[italic and bracketed]* is existing law to be omitted. New sections are in boldfaced type.

**SECTION 3.** (1) A local government shall approve an application for the development or use of land for an emergency shelter, as defined in section 2 of this 2021 Act, on any property, notwithstanding ORS chapter 195, 197, 197A, 215 or 227 or any statewide plan, rule of the Land Conservation and Development Commission or local land use regulation, zoning ordinance, regional framework plan, functional plan or comprehensive plan, if the emergency shelter:

(a) Includes sleeping and restroom facilities for clients;

(b) Will comply with applicable building codes;

(c) Is located inside an urban growth boundary or in an area zoned for rural residential use as defined in ORS 215.501;

(d) Will not result in the development of a new building that is sited within an area designated under a statewide planning goal relating to natural disasters and hazards, including flood plains or mapped environmental health hazards, unless the development complies with regulations directly related to the hazard;

(e) Has adequate transportation access to commercial and medical services; and

(f) Will not pose any unreasonable risk to public health or safety.

(2) An emergency shelter allowed under this section must be operated by:

(a) A local government as defined in ORS 174.116;

(b) An organization with at least two years' experience operating an emergency shelter using best practices that is:

(A) A local housing authority as defined in ORS 456.375;

(B) A religious corporation as defined in ORS 65.001; or

(C) A public benefit corporation, as defined in ORS 65.001, whose charitable purpose includes the support of homeless individuals, that has been recognized as exempt from income tax under section 501(a) of the Internal Revenue Code on or before January 1, 2018; or

(c) A nonprofit corporation partnering with any other entity described in this subsection.

(3) An emergency shelter approved under this section:

(a) May provide on-site for its clients and at no cost to the clients:

(A) Showering or bathing;

(B) Storage for personal property;

(C) Laundry facilities;

(D) Service of food prepared on-site or off-site;

(E) Recreation areas for children and pets;

(F) Case management services for housing, financial, vocational, educational or physical or behavioral health care services; or

(G) Any other services incidental to shelter.

(b) May include youth shelters, winter or warming shelters, day shelters and family violence shelter homes as defined in ORS 409.290.

(4) An emergency shelter approved under this section may also provide additional services not described in subsection (3) of this section to individuals who are transitioning from unsheltered homeless status. An organization providing services under this subsection may charge a fee of no more than \$300 per month per client and only to clients who are financially able to pay the fee and who request the services.

(5) The approval of an emergency shelter under this section is not a land use decision and is subject to review only under ORS 34.010 to 34.100.

1        **SECTION 4.** (1) Section 3 of this 2021 Act is repealed on July 1, 2022.

2        (2) The repeal of section 3 of this 2021 Act by subsection (1) of this section does not affect  
3        an application for the development of land for an emergency shelter that was completed and  
4        submitted before the date of the repeal.

5        **SECTION 5.** ORS 446.265 is amended to read:

6        446.265. (1) Inside an urban growth boundary, a local government may authorize the establish-  
7        ment of transitional housing accommodations used as individual living units by one or more indi-  
8        viduals. Use of transitional housing accommodations is limited to *[persons]* **individuals** who lack  
9        permanent or safe shelter and who cannot be placed in other low income housing. A local govern-  
10       ment may limit the maximum amount of time that an individual or a family may use the accommo-  
11       dations.

12       (2) Transitional housing accommodations are intended to be used by individuals or families on  
13       a limited basis for seasonal, emergency or transitional housing purposes and may include yurts, huts,  
14       cabins, fabric structures, tents and similar accommodations, **as well as areas in parking lots or**  
15       **facilities for individuals or families to reside overnight in a motor vehicle, without regard to**  
16       **whether the motor vehicle was designed for use as temporary living quarters.** The transitional  
17       housing accommodations may provide parking facilities, walkways and access to water, toilet,  
18       shower, laundry, cooking, telephone or other services either through separate or shared facilities.  
19       The Oregon Health Authority may develop public health best practices for shared health and sani-  
20       tation facilities for transitional housing accommodations.

21       (3) Transitional housing accommodations are not subject to ORS chapter 90.

22       (4) As used in this section, "yurt" means a round, domed tent of canvas or other weather re-  
23       sistant material, having a rigid framework, wooden floor, one or more windows or skylights and that  
24       may have plumbing, electrical service or heat.

25       **SECTION 6.** ORS 203.082 is amended to read:

26       203.082. *[(1) Any political subdivision in this state may allow churches, synagogues and similar*  
27       *religious institutions to offer overnight camping space on institution property to homeless persons living*  
28       *in vehicles.]*

29       *[(2) In addition to any conditions or limitations imposed by a political subdivision, a religious in-*  
30       *stitution located within the political subdivision and offering camping space described under subsection*  
31       *(1) of this section must:]*

32       *[(a) Limit camping space at the institution site to three or fewer vehicles at the same time; and]*

33       *[(b) Provide campers with access to sanitary facilities, including but not limited to toilet, hand*  
34       *washing and trash disposal facilities.]*

35       (1) Any political subdivision may allow any public or private entity to allow overnight  
36       camping by homeless individuals living in vehicles on the property of the entity.

37       (2) A political subdivision may impose reasonable conditions upon offering camping space  
38       under this section, including establishing a maximum number of vehicles allowed.

39       (3) Entities providing camping spaces under this section must also provide access to  
40       sanitary facilities, including toilet, handwashing and trash disposal facilities.

41       **SECTION 7.** ORS 458.650 is amended to read:

42       458.650. (1) The Emergency Housing Account *[shall be]* **is** administered by the Housing and  
43       Community Services Department to assist homeless *[persons]* **individuals** and those *[persons]* **indi-**  
44       **viduals** who are at risk of becoming homeless. An amount equal to 25 percent of moneys deposited  
45       in the account pursuant to ORS 294.187 is dedicated for expenditure for assistance to veterans who

are homeless or at risk of becoming homeless. For purposes of this section, "account" means the Emergency Housing Account.

(2) The Oregon Housing Stability Council, with the advice of the Community Action Partnership of Oregon, shall develop policy for awarding grants to organizations that shall use the funds:

(a) To provide to low and very low income *[persons]* **individuals**, including but not limited to, *[persons]* **individuals** more than 65 years of age, persons with disabilities, farmworkers and Native Americans:

(A) Emergency shelters and attendant services;

(B) Transitional housing services designed to assist *[persons]* **individuals** to make the transition from homelessness to permanent housing and economic independence;

(C) Supportive housing services to enable *[persons]* **individuals** to continue living in their own homes or to provide in-home services for such *[persons]* **individuals** for whom suitable programs do not exist in their geographic area;

(D) Programs that provide emergency payment of home payments, rents or utilities; or

(E) Some or all of the needs described in subparagraphs (A) to (D) of this paragraph.

(b) To align with federal strategies and resources that are available to prevent and end homelessness.

(3)(a) The council shall require as a condition of awarding a grant that the organization demonstrate to the satisfaction of the council that the organization has the capacity to deliver any service proposed by the organization.

(b) Any funds granted under this section *[shall]* **may** not be used to replace existing funds. Funds granted under this section may be used to supplement existing funds. An organization may use funds to support existing programs or to establish new programs.

(c) The council, by policy, shall give preference in granting funds to those organizations that receive grants from the Housing Development Grant Program established under ORS 458.625.

(4) The department may expend funds from the account for:

(a) **The administration of the account as provided for in the legislatively approved budget, as that term is defined in ORS 291.002, for the department.**

(b) **The development of technical assistance and training resources for organizations developing and operating emergency shelters as defined in section 2 of this 2021 Act and transitional housing accommodations as described in ORS 446.265.**

**SECTION 8. Section 9 of this 2021 Act is added to and made a part of ORS 458.600 to 458.665.**

**SECTION 9. (1) As used in this section, "low-barrier emergency shelter" means an emergency shelter, as defined in section 2 of this 2021 Act, that follows established best practices to deliver shelter services that minimize barriers and increase access to individuals and families experiencing homelessness.**

**(2) The Housing and Community Services Department shall award grants and provide technical assistance to organizations to fund:**

(a) **The construction, purchase or lease of facilities to be used as low-barrier emergency shelters;**

(b) **The operation, use or staffing of low-barrier emergency shelters, including the costs to provide clients with access to the shelters;**

(c) **The development or use of amenities or facilities that provide no-cost services to individuals and families who are homeless, including restroom and hygiene facilities, laundry**

1 facilities, dining facilities, storage for personal property, meeting or gathering spaces and  
2 facilities providing case management services; or

3 (d) Rapid rehousing services and supports for individuals and families.

4 (3) In awarding grants and providing technical assistance under this section, the depart-  
5 ment shall:

6 (a) Ensure that funds are distributed among different regions of the state; and

7 (b) Prioritize funding areas of highest need as identified in the August 2019 Oregon  
8 Statewide Shelter Study.

9 (4) Grants under this section must be awarded:

10 (a) Through a competitive process that emphasizes collaborative proposals; or

11 (b) To one or more community action agencies.

12 SECTION 10. (1) As used in this section, "navigation center" means a low-barrier emer-  
13 gency shelter, as defined in section 9 of this 2021 Act, that is open seven days per week and  
14 connects individuals and families with health services, permanent housing and public bene-  
15 fits.

16 (2) The Oregon Department of Administrative Services may award grants to local gov-  
17 ernments to:

18 (a) Plan the location, development or operations of a navigation center;

19 (b) Construct, purchase or lease a building for use as a navigation center;

20 (c) Operate a navigation center that has been constructed, purchased or leased under  
21 paragraph (b) of this subsection; or

22 (d) Contract for the performance of activities in this subsection.

23 (3) The department shall require that each local government receiving a grant under this  
24 section agree to return all moneys granted unless the local government has developed a  
25 navigation center that is operating on or before July 1, 2022.

26 SECTION 11. Notwithstanding ORS 458.650 (2) and (3), the Housing and Community Ser-  
27 vices Department may expend funds from the Emergency Housing Account to award grants  
28 and provide technical assistance under section 9 of this 2021 Act.

29 SECTION 12. Sections 9, 10 and 11 of this 2021 Act are repealed on January 2, 2024.

30 SECTION 13. This 2021 Act being necessary for the immediate preservation of the public  
31 peace, health and safety, an emergency is declared to exist, and this 2021 Act takes effect  
32 on its passage.
