## What is Arbor Day?

Arbor Day is a holiday that celebrates trees and nature. Its purpose is to encourage people to plant trees, and many communities take the opportunity to organize tree-planting and litter-collecting events on or around the holiday.

The first American Arbor Day was in Nebraska City, Nebraska on April 10, 1872. About one million trees were planted in the state to celebrate. By 1920, more than 45 states were also celebrating Arbor Day.

Today Arbor Day is celebrated in all 50 states. The most common date for the state observance is the last Friday in April — National Arbor Day.

Arbor Day is usually celebrated by learning about and planting trees.

We hope you have a good time learning about trees with our following activities.

## Hidden Treasure

Grandpa Avery told Charlie about a hidden treasure years ago. He said it was near a tree on Bazzle's homestead. Charlie hasn't been able to find the treasure yet, though, because there are many trees on the old farm. Luckily, he found some torn journal pages and notes in Grandpa's attic. Those pages might provide clues. Can you decipher the note and help Charlie find the treasure?

*"Cut out the two circles and place the smaller one on top of the larger one, creating a cipher wheel. Turn the smaller circle until the arrows line up. This will reveal the code needed for a letter and map tucked in the journal."*

A = \_\_\_\_\_

B = \_\_\_\_\_

C = \_\_\_\_\_

D = \_\_\_\_\_

*My Dear Grandson Charles,*  
*I hope this letter finds you in good health and spirits. Being the clever lad you are, I'm sure you've found my journal in the attic by now. In the journal, I have provided sufficient details to locate the item we spoke about while fishing at Amsden's Pond.*

*Start with the Cipher Wheel codes to fill in the spaces on the table:*

A = \_\_\_\_\_  
B = \_\_\_\_\_  
C = \_\_\_\_\_  
D = \_\_\_\_\_

|     |       |     |  |     |       |     |
|-----|-------|-----|--|-----|-------|-----|
| ☼ = | Pace  | A = |  | ☆ = | Paces | C = |
| ☼ = | Pace  | B = |  | ☆ = | Paces | B = |
| ☼ = | Paces | A = |  | ☆ = | Paces | A = |
| ★ = | Paces | B = |  | ☼ = | Paces | B = |
| ☆ = | Paces | A = |  | ⌘ = | Paces | C = |
| ☆ = | Paces | D = |  | ★ = | Paces | D = |
| ★ = | Paces | A = |  | ◎ = | Paces | C = |
| ● = | Paces | B = |  | ★ = | Paces | B = |
| ☼ = | Paces | C = |  | ☆ = | Paces | C = |
| ★ = | Paces | B = |  | ☆ = | Paces | D = |
| ◎ = | Paces | A = |  | ☆ = | Paces | C = |
| ☆ = | Paces | D = |  | ⌘ = | Paces | B = |
| ☆ = | Paces | A = |  | ● = | Paces | A = |

| ☼ = | Paces | A = |  | ★ = | Paces | A = |
| ☼ = | Paces | B = |  | ☆ = | Paces | D = |

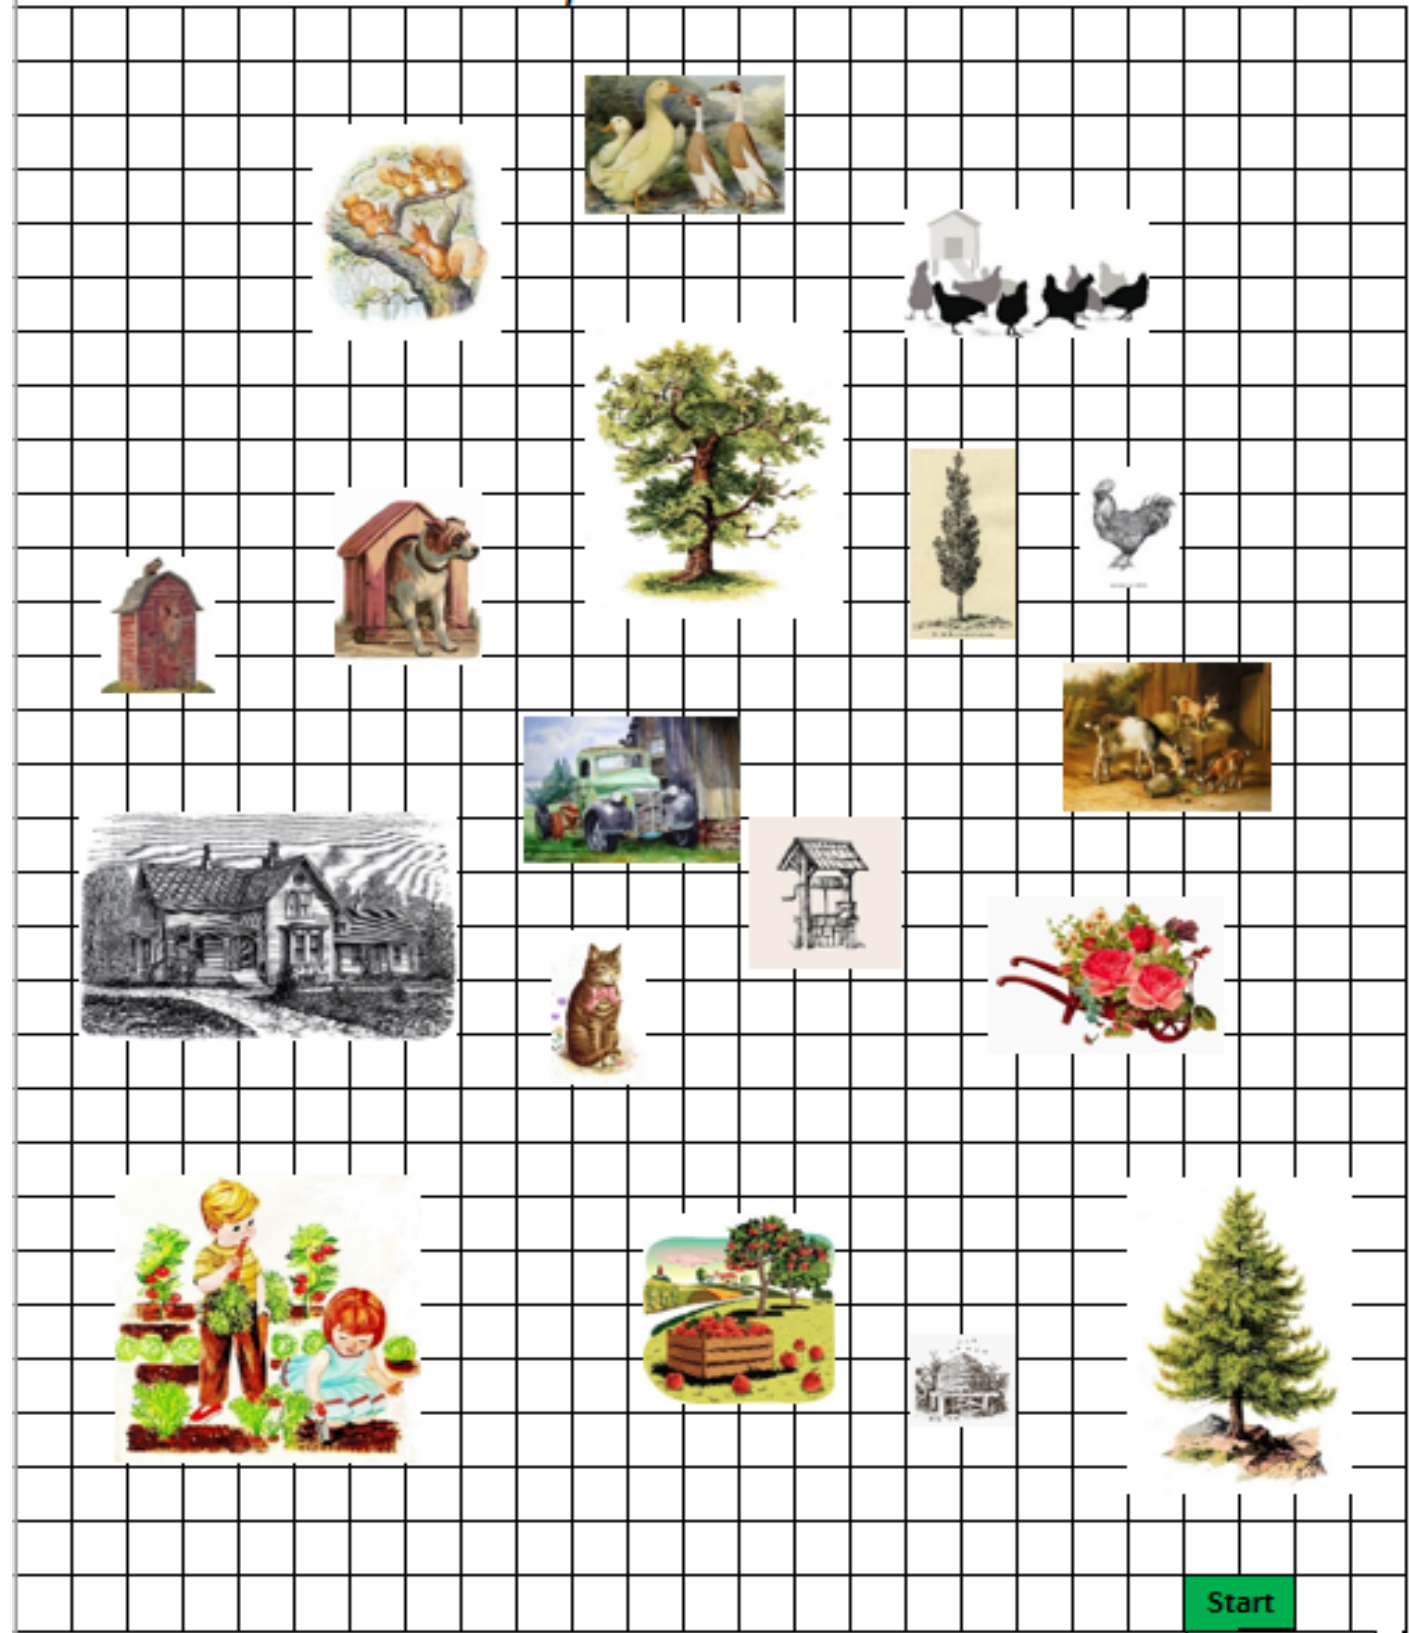

*Now, use this code to fill in the rest of the table:*

☼ = 1      ☼ = 2      ☆ = 3      ☆ = 4      ★ = 5      ◎ = 6  
● = 7      ☼ = 8      ⌘ = 9      ☼ = 12      ☼ = 15

*Use this page with the map to find the treasure! Good luck, my boy! Love, Grandpa Avery*

Map to the Hidden Treasure

Start

You must find and complete the journal pages for the "Cipher Wheel" and "letter to Charles", before you will have the information needed to use this map. The cipher wheel codes reveal the direction to move, and the letter provides the number of paces. Begin in the "Start" rectangle and count your way to the treasure.

## *MYRTLE and BYRTLE—Part 2*

One autumn day, best friend squirrels, Myrtle and Byrtle, decided to collect \_\_\_\_\_ acorns for winter.  
(number)

They asked their friend \_\_\_\_\_ the \_\_\_\_\_ for help, since they figured they would need help hauling  
(name) (furry animal)

all the acorns back to the big \_\_\_\_\_, where Myrtle & Byrtle live. After they set off on their  
(tree name)

journey, Byrtle immediately felt hungry. She asked her friends if they could stop at \_\_\_\_\_ for  
(local restaurant)

some \_\_\_\_\_ & \_\_\_\_\_, and a tall glass of \_\_\_\_\_. Myrtle rolled her eyes, & told Byrtle  
(food) (food) (drink)

they didn't have time for that, but could stop at the \_\_\_\_\_ \_\_\_\_\_ a new coffee shop in Roseburg,  
(color) (insect)

for a light snack of \_\_\_\_\_ & \_\_\_\_\_, and a to-go cup of \_\_\_\_\_. Byrtle reluctantly agreed.  
(food) (food) (drink)

Once the friends arrived at an oak savanna, they all started picking up acorns... well, except Byrtle.

She was so full from eating \_\_\_\_\_ servings of breakfast that she needed a nap. While she napped  
(number)

against the trunk of a \_\_\_\_\_ tree, Myrtle & \_\_\_\_\_ loaded up as many acorns as they could  
(tree name) (furry friend)

from the oaks. Myrtle also gathered some \_\_\_\_\_ pine nuts, mushrooms & \_\_\_\_\_. Byrtle  
(adjective) (berries)

awoke as the other two were finishing stuffing their \_\_\_\_\_ with their bounty. They all headed  
(bag)

back home.

Since Byrtle didn't collect any food, she didn't think she had anything to put away, so she spent time

\_\_\_\_\_, and reading her favorite book "\_\_\_\_\_". Myrtle packed all the food into the  
(hobby) (book title)

\_\_\_\_\_, where she stored their winter snacks. Myrtle was very tired and a bit annoyed with Byrtle  
(kitchen storage)

for not helping. Then she remembered how Byrtle spent all day yesterday cleaning the apartment. She smiled

and started dinner.
