

Happy Tails Dog Park

100 SE Templin St.

Located in the southeast section of the city at the corner of Templin Street and Arizona Street.

Set on the southern boundary of Templin Beach Park is the Happy Tails Dog Park. This one acre dog park is a fenced, off leash dog area. That provides a safe area for dogs to exercise and socialize. The exercise area is open for running your dog and shaded by mature cottonwood trees. The site contains doggie stations, trashcans, potable water and benches.
