When you see the Friends group you will click “Select” and a final popup menu will appear asking you to click the check box for their statement that you understand you must use the Amazon smile site if you want money donated to the charity you chose.

You have now completed the process and can shop on Amazon Smiles. Not all merchandise is eligible but the program will let you know when something will not be used towards a donation. If you have a Prime account, everything will continue to work the same.

Thank you for choosing our program to support!
